

CRAFT TO GO

GNOME BOOKMARK

Materials

- template
- assorted colors of paper
- scissors
- glue

1 Cut out the pieces

Use the templates to cut out the shapes of the gnome. Choose the colors that you like the best for each piece.

2

2 The Beard

Glue the beard to the body of the gnome using a small line of glue along the top edge of the body. Leave the lower part of the beard loose. This will tuck over your book page.

3

3 The Hat

Glue the hat to the top edge of the beard.

4 The Hands

Glue the hands to the sleeves. The thumbs should point up.

5

5 The Mustache

Glue the mustache to the beard.

6

6 The Nose

Glue the nose to the beard overlapping the hat slightly.

7 The Shoes

Glue the shoes to the legs.

8 The Legs

Glue the legs to the back side of the body. You can make the legs as long or short as you want.

9

9 The Arms

Glue the arms to the body putting the top of the shoulder underneath the beard. Only apply glue to the shoulder area. Leave the hands loose. The hands will tuck over your book page.

10

Decide if your gnome will hold a pumpkin or flower. Glue this together.

11

Glue this item in the gnome's hands. Be sure not to get glue on the body.
